English – Pre-Intermediate.

Ukrainian – native.

Russian – native.

Education

- 2010 - 2015, H.S. Skovoroda Kharkiv National Pedagogical University, obtained Master's degree in Physics, Computer Science.

Additional information

I've released in production over 30 websites.

I have experience in developing web applications (SPA + SSR) using such JavaScript frameworks as React, Next.js, NestJS, Express.

Creation of code that is valid, cross-browser, rubber, and adaptive to different screen resolutions. Ability to work both in a team and independently. Purposeful, self-motivated, and sociable, able to work within strict deadlines, and think outside the box. I seek to constantly enhance my professional skills and adopt new practices that can benefit the quality of my work.
